Job Opening for Quality Assurance Engineer M/F

Morulaa Healthtech Pvt Ltd.

Morulaa (Perungudi, Chennai) is a turnkey solution provider with an in-house regulatory team. Our regulatory team aids our clients to conduct registrations of medical device, IVDs, cosmetics, drugs in India by following CDSCO regulations. We also assist our clients with the Distributor Selection process. Our unique model for Product Registration helps to reduce the timeframe for the entry of our clients' products to the Indian market.

We collaborate with key companies across the Indian Region for effective delivery of sales and marketing in the Healthcare sector. Our activities can be best summarized as:

- Complete handling of Regulatory Requirements for Registration of Medical Device in India
- Achieve Stress Free Productive Sales by reliable Distributor Selection with our Team
- Turnkey Solution Providers
